

BCU 3 Star (Tour)

Personal Progress Tracker

Successful performance at this level indicates that the paddler can consider themselves no longer a beginner: the candidate having demonstrated personal competence as a member of a group paddling in a variety of venues. These include open water in conditions of winds up to force 2-3, and ungraded rivers that have a discernable green flow.

Please print and keep this sheet yourself to track your personal progress towards this award.

Name:	Date	Coach Signoff
Personal Paddling Skills		
Lift, carry and launching		
Efficient forward paddling		
Efficient reverse paddling / stopping and accelerating / control of 8 course
